II. Summary and Announcements  
\*\*\*\*\*

Charities: [Updated Oct 2008]

Child's Play

We have completed the May 2008 National Charity Drive (<http://www.childsplaycharity.org/>). I am very pleased to announce that the Camarilla contributed \$3,661.86 to this charity. The prestige awards have been made and can be found here"

[http://camarilla.white-wolf.com/usnc/prestige\\_light/document.php?id=3071](http://camarilla.white-wolf.com/usnc/prestige_light/document.php?id=3071)

At this time the Prestige Awards for the Child's Play Drive are officially closed. No more prestige additions will be made.

The Machiavellian Moment

We have completed the first US National Voter Registration Drive. 10N in the category of Community Service for the month of November 2008 for log purposes.

Prestige awards have been issued and can be found at:

[http://camarilla.white-wolf.com/usnc/prestige\\_light/document.php?id=3273](http://camarilla.white-wolf.com/usnc/prestige_light/document.php?id=3273)

First Book

I'm pleased to announce that the US National Charity Drive for the Month of December 2008 will be First Book - Literacy drive.

First Book is a nonprofit organization with a single mission: to give children from low-income families the opportunity to read and own their first new books. They provide an ongoing supply of new books to children participating in community-based mentoring, tutoring, and family literacy programs.

<http://www.firstbook.org/site/c.lwKYJ8NVJvF/b.674095/k.CC09/Home.htm>

For the month of December 2008 First Book will match every monetary donation, book-for-book, up to a million books.

Prestige will be awarded in the category of Community Service for the month of December 2008 by the following guidelines

- 1 point of national for every 3\$ donated - verified by e-receipt
- 1 point of national for every 2 books donated to local literacy programs (Libraries, bookmobiles, community programs, etc)
- 5 points per hour of time donated at a local literacy program

Up to the max of 30N for the month.

Local Coordinators should collect this information, e-receipts from monetary donations as well as list of how many books, donated by and to whom and send one report to their regional coordinator.

Transfers:

Please remember that membership transfers across regions require both local coordinators, both regional coordinators and my approval.

For ease of Tracking please do not entitle your email "transfer" but rather put your name and cam number in the title. That prevents it from getting mixed with 60 other emails of the same title and allows everyone to track and get the transfer through the system in the shortest amount of time. Also please remember that while a national lock or review is not an absolute requirement for a transfer, its a very very good idea so that somewhere down the line you are not looking for records from years back and regions past.

To be absolutely clear. If you move physically to another location (outside your previous chapter/domain/region or nation), or will be out of place for an extended period of time then you have 90 days to begin the transfer process. I will consider approval of transfers no more than 30 days from the physical move date, so that members are not dealing with their membership transfer at the same time that they are dealing with the stress of the actual move but no sooner. This applies to all US members.

Plagiarism:

Copying someone's answers on an ordeal is cheating. People are expelled for Plagiarism every year in schools around the country, and really there is no need to cheat on an open book, no time limit test. When you are caught there will be disciplinary action.

Prestige Reviews

"I'll go up for my next lock/MC review right before [insert major convention name here]".... news false - everyone else had that same thought. Please remember that your local, regional and national coordinators are volunteers who are donating their free time. Traditionally the busiest times for reviews are immediately preceding USCC and ICC. On average national reviews over 18 logs a month. Considering that the average log consists of 200 individual lines, and takes about 2 hours to complete, that equates to 34 hours for an average month. That's a full work week every month. Peak months can range from 26-30 reviews a month, quickly getting up to 60+ hours.

Prestige Reporting

A. Donations - please ensure to include what you donate to the organization in your prestige activity report to your coordinator and on your logs. Coordinator's please include this information in your report. We need to ensure that everyone is getting the correct awards for helping out,

B. List Mods - Remember that there are different reporting requirements for cam-server lists and non-cam-server lists. Please refer to the USMH for each to ensure that they are properly awarded and you have no delays come review time.

#### Summer 2008 Transportation Prestige

Effective June 16, 2008 through Sept 30, 2008 the following change is in place regarding the organizational service line item of transportation: This ends this month.

Transporting 3+ members (Number to include the driver) to a sanctioned event, 5 per trip, max 10 a month, with no set distance requirement. Please remember that 1 trip is there and back from an event. Just an update that we are now back to normal award guidelines for transportation.

#### National Prestige Review Information:

May 2008 - 24 reviews

Jun 2008 - 17 reviews

Jul 2008 - 17 reviews

August - 11 reviews

September - 24 reviews

October - 23 reviews

November - 17 reviews

#### Professionalism and Courtesy

A good portion of my time has been spent on conflict resolution between members, disciplinary actions, mediation and investigation. Members should exercise some discretion when calling for appeals. Not every decision that affects you negatively should be appealed. Only those decisions which are clearly incorrect in the way they were made are likely to be reversed. An officer simply exercising her own best judgment in a way other than you feel you would rule, or even differently than her supervising officer, is not grounds to overturn a decision. So long as it is a reasonable course of action, that decision will stand. To appeal a decision, you must submit a letter of appeal within 30 days of the decision to the original officer, the officer(s) to whom the decision is appealed, and to your direct coordinator.

Members are expected to be courteous and cordial whenever they are not in character. Compliments should be as frequent as possible and criticism should be constructive. Members who have a personal issue with another member have a responsibility to handle it calmly through the dispute resolution procedures. Dishonesty is disrespectful. Members shall be honest in their dealings with other members. Members should avoid spreading information at Camarilla functions and over Camarilla forums that is hurtful to other members, particularly information that is secondhand or potentially incorrect.

Also, if something you are about to do out-of-character, isn't appropriate for where you work or where you go to school, then chances are its not appropriate within the organization. Everyone will have people at their job or in everyday life that they disagree with. That's a simple fact. However we expect that our members... behave as adults. Even if you disagree with another member it is expected that you can still behave correctly when in social situations. Please remember that the first stage of conflict resolution is to calmly discuss the matter with the other member. If you need to step-back and calm down, use the 24hr rule but remember to discuss with the member next.

#### Formal Complaints:

Do not exist. They have not been a part of the Camarilla process for almost 5 years now.

Sometimes a member may have a disagreement with another member, or may have concerns about an officer's decision or general performance. The Camarilla offers members ways to voice these concerns and seek resolution in a constructive manner

The following steps can guide you through any interpersonal or organizational disputes between yourself and a fellow member or officer

- The 24-Hour Rule (when necessary)
- Open Discussion
- Mediation
- Formal Hearing
- Appeal (if needed)

Please note that this process is not used simply to object to a specific decision made by an officer of the club, or in cases where you may suspect deliberate unethical behavior. To appeal a specific decision, use the appeals process described in this handbook. If you wish to report specific violations of the rules or club policy, report them to the appropriate officer who will then decide whether to initiate an investigation

Appeals:

*> From the USMH - Members should exercise some discretion when calling for appeals. Not every decision that affects you negatively should be appealed. Only those decisions which are clearly incorrect in the way they were made are likely to be reversed. An officer simply exercising her own best judgment in a way other than you feel you would rule, or even differently than her supervising officer, is not grounds to overturn a decision. So long as it is a reasonable course of action, that decision will stand.*

IV. Questions & Answers

\*\*\*\*\*

Be sure to check out the online FAQ database at:  
<http://camarilla.white-wolf.com/usnc/faq/>

#### CURRENT QUESTIONS

Question: Why do some members have WW Cam numbers?

A. WW numbers are associated with White Wolf Employees.

Questions: Do you know where it is actually listed that item donations need to be itemized in order for the coordinator to award proper prestige. I have a member (st) arguing that itemization is not required specifically in the handbook and therefore he doesn't have to provide it. I'd like to provide a reference rather than just saying "do it or else".

A. In the description of the line item "Donating items as part of a Camarilla charity drive" and "Donating needed materials to the Camarilla" it states 1-10 per item its impossible to award based on per item, if you do not know what that item is. If they are not willing to list specifically what was donated, so that you can award a fair amount, then you are within your authority to award nothing. If there are additional questions please direct the memembr directly to me.

#### LAST MONTHS QUESTIONS

Q: What is the policy for awarding prestige for ones Significant Other for work done or reports sent in? Do they need to be approved by the next higher level in the chain or can one award it themselves?

A: I would recommend it to avoid even the appearance of Conflict of Interest.

Question: We are working on securing a site for a future GoTM. When we talked to the people in charge they asked us about Event Insurance. Is this something that is provided by the club or is it something we have to purchase at a domain level?

A: Contact the NCA - Nikki Hauser - [nikki.m.hauser at gmail.com](mailto:nikki.m.hauser@gmail.com)

Questions: Domain requested a name change and voted on changing the name. How do I go about applying that?

A. Send it up to the USNC through your regional officers. Once the RC and RST have approved, I will review. Once approved the CRD can be updated with the new names (the same process should be followed for domain borders)

Q: Does the NC hold office hours on IRC or other location and if so when and where?

A. Not currently, though I am on IRC personally a good bit. Its something we had discussed but scheduling a realistic time fair to all time zones is difficult, if not impossible.

Q: What are the recommendations for box top and pop top charity drives in regards to prestige?

A: Box Top Guideline - <http://camarilla.white-wolf.com/usnc/faq.php?id=180>

Pop Tab Guideline - <http://camarilla.white-wolf.com/usnc/faq.php?id=129>

Q: Where can we find a listing of Regional, National and Recruitment cons planned for 2009 and locations and Dates if known?

A. All cons are detailed at [http://camarilla.white-wolf.com//index.php?option=com\\_content&task=section&id=7&Itemid=53](http://camarilla.white-wolf.com//index.php?option=com_content&task=section&id=7&Itemid=53)

Q: Archives in the SW Reports list does not go past Feburary 2007. Can this be fixed?

A: This has been corrected per [cam.global.tech at gmail.com](mailto:cam.global.tech@gmail.com)

Q: Is there a minimum number of members in a chapter to keep it open?

A: No, there is a minimum to form a chapter. It becomes the call of the RC and myself to evaluate the functionality of a chapter with less than that amount. If the chapter is functioning, doing charities, reporting, and working on recruiting then typically it is not an issue

Q: The DST/DC/VST/CC have reported that several of them have not received their awards for on time reporting, who can they contact about this?

A: Officers should contact their regional supervising office (STs to RST and Cs to RC). It is from that level which the recommendations are made for on-time reporting awards.

## V. Projects

\*\*\*\*\*

Project status is listed as of the time of this report, not necessarily the first of the month. If you would like to contact a project lead for more details on any of these projects, you can find contact information for most of them at: <http://camarilla.white-wolf.com/usnc/contact.php>

### MEMBERSHIP HANDBOOK:

Development has been revived. Woot!. Project lead is Pearce Dreadin, NC and Sean Mooney NSA.

### UNIFIED EMAIL ADDRESSES:

The domain camarilla.org is unavailable due to legal issues that cannot be resolved without spending more money than it's worth. Another domain name will need to be settled on, but other issues have occupied the Council for the moment. Project lead is Wes Contreras, Global Tech.

### OPEN PRESTIGE REVIEWS:

The voluntary national locks have been opened up to include anyone with prestige awards (not counting awards already locked) dating back to January of 2003 or earlier. Project lead is Pearce Dreadin. USNC

### DOMAIN / INDY CHAPTER BOUNDARIES:

In cooperation with regional officers, we are checking to ensure that each and every domain and independent chapter has defined geographic boundaries. The GL, EC, NC, SW and SC regions are complete. NE, NW, and SE are incomplete. New project lead to be determined pending time to properly scope this low-priority project.

### MEMBERSHIP PACKETS:

Still processing requests for missing membership packets. If you have not received your packet, see the FAQ at the URL below for more information. Project lead is Sean Mooney, NSA.
