II. Summary

\*\*\*\*\*

This report is late, as expected, due to me being out of the state when my report was due. Now I'm back from that much-needed vacation, and just about caught up.

The biggest time sink this last month has been the new database. In order

to keep things manageable and push through needed bug fixes, I'm handling helpdesk duties and sorting cases to be handled by the tech team or (more commonly) by White Wolf. This has taken a lot more time than I expected, but it needs to be done, so a couple of other projects are moving to the back burner.

Add on a couple of really complicated and sensitive investigations, a burst of prestige reviews, and the normal administrative stuff, this has been a \*busy\* month.

It is also worth noting that my term is coming to an end. Next month, the call for applications should go out for my replacement, and the new NC should take the helm at or around ICC. If you have ever considered taking on the nightmare that is this position, start preparing your resume.

IV. Questions & Answers  
\*\*\*\*\*

Be sure to check out the online FAQ database at:  
<http://camarilla.white-wolf.com/usnc/faq/>

THIS MONTH'S QUESTIONS:

Q: What is the status of our regional funds?

A: Now that Sarah Heffron has stepped down as NFA, financial questions should be directed to Charles Bailey at [camarilla@white-wolf.com](mailto:camarilla@white-wolf.com) until a new NFA can be selected.

Q: Why does the new database suck?

A: The new database is actually really cool. It's the login system that we're having trouble with, and we're working through those as quickly as we can. The biggest problem is getting everyone's accounts linked, especially since so many of them had incorrect information on file that requires us to fix each one individually by hand. Other problems are also cropping up, but we're working on it.

LAST MONTH'S QUESTIONS:

Q: What is the status of our regional funds?

A: Questions about finances should be directed to the national finance administrator, Sarah Heffron, at [camfinance@white-wolf.com](mailto:camfinance@white-wolf.com)

V. Projects

\*\*\*\*\*

Project status is listed as of the time of this report, not necessarily the first of the month. If you would like to contact a project lead for more details on any of these projects, you can find contact information for most of them at:

<http://camarilla.white-wolf.com/usnc/contact.php>

MEMBERSHIP HANDBOOK:

Editorial review of the introductory chapter, code of conduct, and conflict resolution is in progress. Overall progress has stalled in the last month due to the amount of time being spent on technical issues and some issues in finding a process to resolve conflicts. Work should restart again shortly. Project lead is Wes Contreras, NC.

EDUCATION DEPARTMENT:

Work continues on the Leadership Development handbook. We have most of the chapters written and submitted, but we are doing some minor editing. Project lead is Jamie Schork-Morency.

**UNIFIED EMAIL ADDRESSES:**

Due to heavy focus on the CRD, this project is on hold indefinitely. Someday it will happen.

**OPEN PRESTIGE REVIEWS:**

National locks continue to make their way through the system, with the current focus on those with prestige awards (not counting those already locked) dating back to 2000 or earlier. Project lead is Pearce Dredin, ANC: Prestige.

**DOMAIN / INDY CHAPTER BOUNDARIES:**

In cooperation with regional officers, we are checking to ensure that each and every domain and independent chapter has defined geographic boundaries. The GL, EC, NC, SW and SC regions are complete. NE, NW, and SE are incomplete. Project lead is Bill Malvasi, ANC: Admin.

**MEMBERSHIP PACKETS:**

Still processing requests for missing membership packets. If you have not received your packet, see the FAQ at the URL below for more information. Project lead is Jana Wright, NSA.

<http://camarilla.white-wolf.com/usnc/faq.php?id=87>

**STANDARDIZED DISCIPLINARY FORM:**

A standardized disciplinary form is being created for use by officers when issuing disciplinary action. The hope is that the form will improve documentation of disciplinary actions and encourage officers to follow proper procedure, as well as provide an easy way to provide the information in case of appeal. Project lead is Jesse Daniels, ANC: Arbitration.

**ORDEALS AUDIT:**

All coordinators in the US will have their ordeals compliance checked in the next few weeks. Those who cannot meet the requirements will be removed from office. Project lead is Wes Contreras, NC, with lots of help from Christy Wellens, ANC: Chapters.
