II. Summary

\*\*\*\*\*

For a second month, technology outweighed all other concerns. I'm told the new mail server is now up and running, has been tested, and now we just need to move all the lists over to the new server. To make things fun, though, throwing everything into a tarball and moving it in one go breaks Mailman, so this might be an excruciatingly slow manual transfer, which would require

some more help from White Wolf. In short, progress is being made, but not as fast as we would like.

Linking accounts has been moving along, and White Wolf has started processing support requests for purchasing and renewal errors. There is still a long list of pending cases, but it's slowly getting shorter instead of longer. Again, progress is being made, though not as fast as we would like.

In other news, a first draft of a global charter is almost ready for public release and discussion. A few holes that were spotted upon review by global and national officers are being fixed, and then it will be made public and comments from the membership will be accepted. Once we have a final draft, it will be voted on by the global membership and hopefully ratified.

National and regional officers are also currently discussing some possible changes to the national structure of the Camarilla USA. If the officers in question don't find any huge holes in the proposals, then they, too, will be released for discussion by the general membership, and if no glaring holes are still found, then formal amendments to the constitution will be drafted and voted upon as necessary.

Oh, and business as usual continues with chapter and domain applications, prestige reviews, appeals, investigations, and so forth. Needless to say, this has been a busy month, even without ICC.

### IV. Questions & Answers

\*\*\*\*\*

Be sure to check out the online FAQ database at:  
<http://camarilla.white-wolf.com/usnc/faq/>

## THIS MONTH'S QUESTIONS:

Q: What's the deal with the mail server?

A: A new server is being prepped. It's now online and functional, but the process to move the lists over is proving to be a little more time consuming than anticipated.

Q: How do we send in a copy of the receipt for the national charity drive if we don't have a scanner?

A: Send me an email at [cam.usnc@gmail.com](mailto:cam.usnc@gmail.com) and I'll provide an address for you to mail a photocopy.

Q: I am trying to link my Cam number to a White Wolf account, but I don't have/remember my Camarilla password. How do I find it?

A: Go to this URL and enter your Cam number, date of birth, and the email you would like the new password sent to:

<http://www.white-wolf.com/campassreset.php>

## LAST MONTH'S QUESTIONS:

Q: Status request for Appeal Issue regarding the removal of DST of AZ-005-D - Tithe of Souls by National.

A: It's being investigated, and it is entirely my fault that it has taken this long, as I forgot to follow up on some emails that were sent. The followup has now been done, and this should be resolved soon. If the member appealing does hear anything in the next week, please email me. I apologize for not having realized it was overdue on my own. (Update: This appeal has been completed.)

Q: How does the prestige for sending in money for the Katrina Relief work? Is there a specific amount and is it General or National Prestige?

A: If you have done a fundraiser, send the following information to national at [charity-reports@cammil.white-wolf.com](mailto:charity-reports@cammil.white-wolf.com):

- A general description of the fundraiser
- Names and Cam numbers for everyone who helped, along with what they did
- A scan of your receipt from the American Red Cross (if you cannot scan it, contact me for alternatives)

Prestige will be awarded per the normal prestige chart based on what each person did to contribute to the fundraiser. A portion of this prestige will be national. All of it will be documented in the national prestige database.

Q: Will NEGLEct prestige possibly be released by ICC? It's been 5 months, and some of our members are waiting on that prestige for MC increases.

A: Given that ICC is next week, this seems unlikely. There were some questions

about some of the awards and those questions need to be answered before they can be approved - hopefully this will happen soon.

Q: Still not receiving emails from the Ordeals Delivery System about our members passing their Ordeals.

A: I was not previously aware of this issue, but will look into getting it resolved.

## V. Projects

\*\*\*\*\*

Project status is listed as of the time of this report, not necessarily the first of the month. If you would like to contact a project lead for more details on any of these projects, you can find contact information for most of them at:

<http://camarilla.white-wolf.com/usnc/contact.php>

### NEW MAIL SERVER:

The new server is operations, but transferring the lists may have to be done manually, one list at a time, since doing them all at once failed for reasons unknown. Some additional system access is needed from White Wolf to investigate fully. No ETA yet. Project lead is Brent Cerrato, NTA.

### GLOBAL CHARTER:

A charter is being drafted to define the global coordinator structure, including the authority and responsibility assigned to the global coordinator office(s). It is currently under discussion among the NCs and other national officers and will be released for discussion by the full membership as soon as a draft is ready. Project lead in the US is Wes Contreras, NC.

### NATIONAL SECRETARY:

The Camarilla Council is hiring an assistant to handle various administration tasks having to do with resolutions, appeals, and recordkeeping. Applications are currently being accepted. Project leads are D Beutel, NCA and Wes Contreras, NC with assistance from the entire Camarilla Council.

### MEMBERSHIP HANDBOOK:

This project is on hold until the restructuring of the global level is complete and any changes to the US national Camarilla structure have been

decided upon. Project lead is Wes Contreras, NC.

#### EDUCATION DEPARTMENT:

This project is on hold until the overall status of the club's relationship with White Wolf is more defined. Project lead is Jamie Schork-Morency.

#### UNIFIED EMAIL ADDRESSES:

Due to heavy focus on the CRD, this project is on hold indefinitely. Someday it will happen.

#### OPEN PRESTIGE REVIEWS:

National locks continue to make their way through the system, with the current focus on those with prestige awards (not counting those already locked) dating back to June 2001 or earlier. Project lead is Pearce Dreadin, ANC: Prestige.

#### DOMAIN / INDY CHAPTER BOUNDARIES:

In cooperation with regional officers, we are checking to ensure that each and every domain and independent chapter has defined geographic boundaries. The GL, EC, NC, SW and SC regions are complete. NE, NW, and SE are incomplete. Project lead is Bill Malvasi, ANC: Admin.

#### MEMBERSHIP PACKETS:

Still processing requests for missing membership packets. If you have not received your packet, see the FAQ at the URL below for more information. Project lead is Jana Wright, NSA.

<http://camarilla.white-wolf.com/usnc/faq.php?id=3D87>

#### STANDARDIZED DISCIPLINARY FORM:

A standardized disciplinary form is being created for use by officers when issuing disciplinary action. The hope is that the form will improve documentation of disciplinary actions and encourage officers to follow proper procedure, as well as provide an easy way to provide the information in case of appeal. Project lead is Jesse Daniels, ANC: Arbitration.

#### ORDEALS AUDIT:

All coordinators in the US were checked to see that they were in compliance with the ordeals requirements. A few unusual cases are still being dealt with on an individual basis, but the audit itself is complete. Project

lead was Wes Contreras, NC.
