**II. Summary**  
\*\*\*\*\*

A relatively quiet month on the public front, though it still somehow

managed to be terribly busy. I imagine needing to reformat my computer and install a new operating system didn't exactly help keep me on top of things...

Owen is settling nicely into his new role supporting member's questions about the CRD and such. If you have questions about the CRD, whether it's inaccurate data, or just not knowing how to do something, please drop him an email: [anc.crd@fortmisery.com](mailto:anc.crd@fortmisery.com)

I also want to congratulate Ric Connely for his elevation to Trustee (MC 15) at the US national convention. Way to go Ric!

\*\*\*\*\*  
**III. Staff Election Updates**  
\*\*\*\*\*

There are no RC or arbitration board elections in process right now.

\*\*\*\*\*  
**IV. Questions & Answers**  
\*\*\*\*\*

Be sure to check out the online FAQ database at:  
<http://camarilla.white-wolf.com/usnc/faq/>

**THIS MONTHS QUESTIONS**

**Q:** When will approvals be handled through the CRD?

**A:** Of course, there is always the potential for hardware problems or unexpected bugs to derail the schedule, but we hope to have a new approvals system in place by the end of the summer, though it's not certain what kind of transition schedule we would be using yet.

**Q:** What do we need to do to have a NCRE?

**A:** SCRE could take place in either September of 2006 or Summer of 2007, but the details need to be worked out between the RC and the NCA. This conversation is ongoing.

**LAST MONTHS QUESTIONS**

Q: There has still been no word yet from Jenn Hutt as to the status of Nick McMillen's US2003102316 request to remain in our domain while he is on deployment. Month five. I didn't see anything on any recent NC reports, did I miss something?

A: If any officer fails to respond to something, it's quite reasonable to send a query after a week, and then send a second query CC'd to their supervisor after another week. This will resolve most issues with a lack of response.

Q: If a member loses access to the email address on their White Wolf account, and thus cannot reset their password, how can they get access to their account again?

A: Ideally, just log the issue in the bug tracker including their name, Cam number, old email, new email, and date of birth (for security) and we can have their email address changed. If the bug tracker is not an option for one reason or another, email Owen Sutter, ANC: CRD, at [anc.crd@fortmisery.com](mailto:anc.crd@fortmisery.com) and he can enter it into the bug tracker for you.

<http://camarilla.white-wolf.com/bugs>

Most importantly, do NOT create a new Cam number, as this requires more work on our part to correct. If it's already too late and you already have two Cam numbers (or you have two Cam numbers for some other reason), log it in the bug tracker or email Owen.

Q: Can we get a clear listing of everything the region needs to have done in order to bid for NCRE? We thought we had everything that was wanted and apparently it wasn't enough.

A: The timeline to hold NCRE during the summer was too short by the time that the financial concerns were addressed. National has been told that the NC region would rather bid for a later year than hold a con during the last remaining time slot for this year (September).

Q: When will we see more information about ICC 2k6?

A: The basic, fundamental information is now available at:  
<http://camarilla.white-wolf.com/ICC/>

More information will be available as it gets closer.

Q: Will the approvals database be linked to the CRD?

A: Eventually, the approvals database will be replaced by a new solution that is integrated with the CRD. When this happens, we'll make a big deal about it and everyone will know. In the meantime, it's business as usual.

## V. Projects

\*\*\*\*\*

Project status is listed as of the time of this report, not necessarily the first of the month. If you would like to contact a project lead for more details on any of these projects, you can find contact information for most of them at:

<http://camarilla.white-wolf.com/usnc/contact.php>

### GLOBAL CHARTER:

Delayed by a bit due to the club director being in the UK, then the US national convention, then by Origins. The public draft will hopefully be released for comments soon - as soon as White Wolf is able to complete a final review. Project lead in the US is Wes Contreras, NC.

### MEMBERSHIP HANDBOOK:

Work has restarted. If you wish to help review sections as they are ready, please send email to [cam.usnc@gmail.com](mailto:cam.usnc@gmail.com) to be added to the list. This is NOT a prestige-earning activity. Project lead is Wes Contreras, NC.

### EDUCATION DEPARTMENT:

New education offerings are in development. The first product to be released will be a series of narration ordeals, the first of which is in beta testing now. Project lead is Jamie Homampour, NSA.

### UNIFIED EMAIL ADDRESSES:

Due to heavy focus on the CRD, this project is on hold indefinitely. Someday it will happen.

### OPEN PRESTIGE REVIEWS:

The voluntary national locks have been opened up to include anyone with prestige awards (not counting those already locked) dating back to June of 2002 or earlier. Project lead is Pearce Dreadin, ANC: Prestige.

### DOMAIN / INDY CHAPTER BOUNDARIES:

In cooperation with regional officers, we are checking to ensure that each and every domain and independent chapter has defined geographic

boundaries. The GL, EC, NC, SW and SC regions are complete. NE, NW, and SE are incomplete. New project lead to be determined.

**MEMBERSHIP PACKETS:**

Still processing requests for missing membership packets. If you have not received your packet, see the FAQ at the URL below for more information. Project lead is Jamie Homampour, NSA.  
<http://camarilla.white-wolf.com/usnc/faq.php?id=3D87>

**STANDARDIZED DISCIPLINARY FORM:**

A standardized disciplinary form is being created for use by officers when issuing disciplinary action. The hope is that the form will improve documentation of disciplinary actions and encourage officers to follow proper procedure, as well as provide an easy way to provide the information in case of appeal. Project lead is Jesse Daniels, ANC: Arbitration.

**USNC WEB SITE REVISIONS:**

A review of the USNC web site is being made. So far, several updates have been made to the Links page. Any comments for new information or updates are welcome, though work was on pause for a bit due to PC problems. Project lead is Wes Contreras, NC.

**CRD DATA UPDATES:**

A major effort will be undertaken to update the CRD data based on chapter and domain reports. Since this will be a large project, an ANC position will be created, at least for a few months, to execute this task. Project lead is Owen Sutter, ANC: CRD.
