II. Summary

ICC has come and gone with all of the hustle and bustle that goes with it, along with the side effect of completely forgetting to do my report until someone asked. Many apologies, but here it is.

Elections were the big item of the month, with eight of them going on at the same time. Whew! Many thanks to Bill Malvasi for organizing them and keeping things on track.

Everything else seems to be running fairly smoothly. A few more weeks of this and it will be time to start some new projects.

IV. Questions & Answers

Be sure to check out the online FAQ database at:

<http://camarilla.white-wolf.com/usnc/faq/>

THIS MONTH'S QUESTIONS:

Q: Is there any word on the status of the GSA, GSTA, AGSA, ect. Prestige?

It was said some time ago that logs were bring gone through to determine which awards were valid. Nothing has been said since.

A: The MST has released documentation of awards at:

<http://camarilla.white-wolf.com/MST/prestige/>

Q: I asked a similar question last month in regards to MC and the standards and behaviors a member should follow and have to obtain and maintain said MC. Here is the policy I was referred to:

<http://www.embraced.net/usanceprestige/natMCstandards.htm>

Is this policy still in place? If we feel that these standards are not being maintained, what action can we, as a DC take?

A: The Membership Handbook actually has a better description of the policy.

Check out page 29, "A Note on Member Class" for details. As a DC, you can decline to award a Member Class, subject to appeal of course.

Q: Can the Domain accept donations for "alcoholic" beverages during a game of event (To those members who are legal drinking age)? Reason - We would like to offer these beverage (beer, hard lemonade, wine, etc.) in very limited quantites, for the enjoyment of our players. This process will allow our Domain to collect donations and also allow us to restrain the intake and availability of these beverages. We would also institute a rule that the only alchohol that may be consumed is that offered by the domain. This will reduce the amount alcohol being consumed (possibly adding a "no more than two (2) beverages per person rule). Please

advise.

A: I am not aware of a state that does not require a liquor license and/or bartender's license to serve alcohol as an organization. As a result, I do not advice doing anything that would imply that the Camarilla is serving alcohol in any way.

LAST MONTH'S QUESTIONS:

Q: Jason Carmichael US2002022331 should have received prestige for the 2003 National Blood drive. It has been requested that this be put up the chain formally through reports so here it is. What is the status of this prestige or what needs to be done to get this prestige awarded?

A: We would need more information to answer this question. Please contact the ANC: Prestige, Pearce Dreadin, to work out the details.

V. Projects

(Project status is listed as of the time of this report, not necessarily the first of the month.)

NATIONAL DATABASE:

A revised interface for the national database is in beta testing. When this goes live, a data entry effort will begin to make the database more useful. Project lead is Brent Cerrato, NTA.

UNIFIED EMAIL ADDRESSES:

Due to heavy focus on the national database, this project is on hold indefinitely. Someday it will happen.

ST RECOGNITION AWARDS:

A massive list of earned awards during Michelle's tenure as NST has been obtained and is now being sorted through. We are still seeking to obtain data from Jason Stafford's tenure.

OPEN PRESTIGE REVIEWS:

Keep an eye on us-announce for this to open up again for new reviews to be submitted. This should occur in the next week or two. Project lead is Pearce Dreadin, ANC: Prestige.

DOMAIN LISTS:

Each domain without a mailing list on the Camarilla server is being contacted to try and set one up. At this time the move is optional. Once we have three months of solid uptime on the Cam server, the move will become mandatory. Project lead is Christy Wellens, ANC: Projects.

DOMAIN / INDY CHAPTER BOUNDARIES:

In cooperation with regional officers, we are checking to ensure that each and every domain and independent chapter has defined geographic boundaries. The EC and NC are complete, with the others still being worked on. Project lead is Bill Malvasi, ANC: Admin.

REGIONAL COORDINATOR REPORT TEMPLATE:

A reporting template for the Regional Coordinators is currently being

created. A rough draft is complete and is being reviewed by the NC. The project leads for this are Bill Malvasi, ANC: Admin and Jed Stancato, ANC: Chapters.

CAMARILLA COUNCIL PRESTIGE:

Still waiting for the Club Director to release awards up to current, at which point the US NC will assume responsibility for ongoing awards. Project lead is Charles Bailey, CD.

MEMBERSHIP PACKETS:

Still processing requests for missing membership packets. If you have not received your packet, see the FAQ at the URL below for more information.

<http://camarilla.white-wolf.com/usnc/faq.php?id=87>

Project lead is Jana Wright, NSA.
